SPONSORS OF "BEST NATIONAL RECRUITMENT AGENCY WEBSITE"

Voyager Software Limited is a leading supplier of software and solutions to the recruitment industry. For many years Voyager has driven the industry forward and is now one of the few providers able to offer the full end-to-end solution. Today, Voyager's products span the entire recruitment landscape – from the front-office to the back-office to the bureau.

With offices in the UK and Australia, **Voyager** supports thousands of users around the world, and offers an extended range of support and consultancy services that help clients keep one step ahead of the competition.

Why Voyager?

With at least one new recruitment company joining our large and brand-loyal group of customers every week, Voyager has become a well established and proven company that continues to grow year-on-year. Our innovative mix of solutions and market-leading support means that recruitment companies choosing Voyager software solutions will benefit in the following ways:

Partnering – Voyager views its relationships with its customers as a long-term partnership and tailors its solutions to constantly simplify operations, ease usability and support growth.

Excellent customer services – Voyager's customers appreciate the range and quality of support services that are available to them. This explains why Voyager customers who move or start up new businesses continue to use Voyager products wherever possible.

Differentiation – Voyager products have built a reputation for being both innovative and functionally rich. Our diverse range of products means that Voyager is able to meet most recruitment needs.

Software that fits – Voyager acknowledges that each client is different and hence implementation may not be as straightforward as one would expect. We will work with you to ensure a non-disruptive, seamless implementation and an ongoing smooth operation that fully meets the requirements of the business.

Significant knowledge – The experience derived from supporting many customers over many years, means that Voyager has a significant knowledge of the recruitment business and the way it operates. This expertise is available to all Voyager's clients to ensure that they derive the most benefits from their Voyager software.
